

JOB OPPORTUNITY
CASE MANAGER (DROP IN), BROCKVILLE, TEMPORARY FULL-TIME
COMPETITION #2025-17

Please submit a cover letter and resume referencing the competition # to:
CAREERS@LLGAMH.ca

Salary Range: \$32.59/hour - \$34.63 /hour
Location: Brockville
Job Type: Temporary Full-Time (up to March 31, 2026)
Shifts: Monday to Friday, Days (a compressed work week is not an option)
Reports to: Clinical Manager

The Case Manager provides client centered service that enables clients and their caregivers to achieve their highest level of functioning and independence consistent with their values, priorities, capabilities, and preferences for care. Also, by mobilizing and integrating formal and informal support networks the Case Manager will deliver services to clients that will also ensure the fiscally responsible use of appropriate resources to achieve the desired outcomes for clients.

Responsibilities and Duties:

- Establish a therapeutic relationship which is client-centered and based on a partnership.
- Assist Drop In Centre clients with applications to services, obtaining documentation, lining up specialist appointments, working with potential landlords
- Responsible for administering Behavior Modification Plans with Drop In Centre clients who have violated the rules.
- Ensuring all clients in the Drop In Centre have equal access to support.
- Help individuals with severe and persistent mental illness and/or addiction, to achieve their highest level of functionality possible in the least restrictive setting.
- Provide interventions that coordinate client services in a fragmented addictions and mental health system.
- Maintain a constant and ongoing support for clients even when their needs and use of services change.
- Work with the client to develop a strategy/ plan to reduce the client's risk of experiencing a mental health crisis, including what actions by who and when, if client does experience a crisis/ challenge in their recovery process
- Maintain accurate and up-to-date client files as per client management software so that the information is current for anyone needing to access information to that client
