Welcome Funding

Thank you to the provincial government for Community Infrastructure Renewal funding announced in October. \$68,081 has been provided to Lanark, Leeds and Grenville Addictions and Mental Health (LLGAMH) for upgrades and repairs.

At LLGAMH, the funds will be used for several construction projects at various facilities. The work includes two new roofs, repairs to some building foundations, and an update to a heating and cooling system.

“We are grateful to MPP Steve Clark and the provincial government for this financial support. It will help to ensure our buildings are maintained and improved,” noted CEO Patricia Kyle. “We want to care for our clients in spaces that are both supportive and safe.”
