All FORE Mental Health & Addictions

A group of hardy golfers braved the rain and cooler temperatures on July 27th to support the annual charity golf tournament hosted by the Rideau St. Lawrence Real Estate Board. This year, Lanark, Leeds and Grenville Addictions and Mental Health (LLGAMH) was selected as the recipient of all funds raised.

“We are grateful to the participants and the organizers of this event,” notes LLLGAMH CEO Patricia Kyle. “Everyone’s efforts resulted in a \$7,000 donation to our Agency. We are absolutely overwhelmed by this generous contribution.”
