Welcome Funding – Thank you to the United Way Leeds & Grenville

Thank you to United Way Leeds & Grenville! \$43,000 has been provided to Lanark, Leeds and Grenville Addictions and Mental Health (LLGAMH) to support the care we provide to clients every day.

“We are grateful to all of the funders who support the work of our team,” noted David Price, LLGAMH Board Vice Chair and Chair of the Quality Committee. “We value this partnership with the United Way as we work together to ensure our clients receive the right care, at the right time and in the right place.”

Funds will be used to support LLGAMH’s programs and services, improving direct care for our clients. For example, in the past, the money has supported client wellness opportunities, helping to achieve an improved level of health and personal growth.

Thank you to the United Way Leeds & Grenville!
